To whom it may concern,

Just want to make use of this opportunity to thank all that are involved with Netcom. It is really a pleasure working with all of you. You treat me with respect and never ever have any of you told me you don't have time!

With all technical issues nothing was impossible. With every problem I brought up with Man3000 & TIS you came up with a solution. That is what they call passion! We all know if we keep the customer happy we are happy 😊

Thank you for your friendliness and patience!  
Looking forward to have a very long relationship with all of you.

Yours Sincerely

CP Neethling
